The Luxembourg Fund Labeling Agency (LuxFLAG) is an independent, non profit making, association created in Luxembourg in July 2006 by seven founding partners who are the Charter Members (state, banking professionals and specialists in microfinance).

The Agency aims to promote the raising of capital for microfinance by awarding a recognizable label to eligible Microfinance Investment Vehicles (MIV). Its objective is to reassure investors that the MIV actually invests, directly or indirectly, in the microfinance sector. The rationale for the presence of the organization in the LRTM is the guidance on quality of investment products to the sector.
