**PRESS RELEASE – May 2015**

**LuxFLAG launches a new dynamic website [www.luxflag.org](http://www.luxflag.org)**

LuxFLAG is proud to announce the launch of our new website!

We spent a couple of months' time to make our website:

- Easier to navigate
- More representative of who we are, what we do and how we do it
- More informative about our labels and the process
- More transparent about our associate members and their services
- More visible for the funds being awarded the labels

Take a look around.

Get to know where we are next in the event section of the website.

More information on the thirty nine labelled funds and thirty three Associate Members of LuxFLAG is available on LuxFLAG's website [www.luxflag.org](http://www.luxflag.org). The website also refers to the LuxFLAG Labels' Eligibility Criteria and contains the application form that can be downloaded by applicant investment funds wishing to apply for the LuxFLAG Labels.
